Omicron Delta Epsilon

Omicron Delta Epsilon is the International Economics Honor Society. The primary purpose of Omicron Delta Epsilon is to recognize scholastic attainment in economics, but it is also intended to establish closer ties between students and faculty in economics. Students are eligible if they have an overall grade point average of at least 3.0 and at least 12 credits in economics with an average of at least a 3.0 GPA or better.

Phi Alpha Theta

Phi Alpha Theta is an international honor society in history. It is the largest accredited honor society, with more than 475 chapters, holding membership in the Association of College Honor Societies. The membership of Phi Alpha Theta is composed of students and professors who have been elected to membership upon the basis of excellence in the study or the writing of history. Students must be juniors or seniors and must have completed 12 hours of B or better work in history with at least a 3.0 in two-thirds of their classes.

Phi Kappa Phi

Membership in the honor society is by invitation only. Since the society is interdisciplinary, it elects members from all recognized branches of academic endeavor – arts, sciences, business, education and professional studies. Eligible students include juniors who have completed 72 credit hours, 45 of those credits must be from SU. The top 7.5% of juniors are invited. Seniors must have completed 90 credit hours, 60 of those credits must be from SU. Seniors must be in the top 10% of their class.

Phi Sigma Iota

Phi Sigma Iota is the highest academic honor in the field of foreign languages and is accredited by the Association of College Honor Societies. It recognizes outstanding accomplishment in the study or teaching of the academic fields related to foreign language, literature or culture. To become a member, a student must be a major or minor in French, German or Spanish; have completed 45 semester hours or its equivalent; have passed at least one upper-level college course (300- or 400-level) in French, Spanish or German; and have a minimum grade point average of 3.0 on a 4.0 scale in all language courses and a cumulative grade point average of 3.3 on a 4.0 scale.

Phi Sigma Tau

The Philosophical Honor Society serves as a means of awarding distinction to students having high scholarship and personal interest in philosophy, to encourage a professional spirit and friendship among those who have displayed marked ability in this field, and to popularize interest in philosophy among the general collegiate public. To be eligible for this award, students must have a 3.0 or better overall grade point average and a 3.2 or better grade point average in philosophy.

Pi Mu Epsilon

Pi Mu Epsilon is the National Mathematics Honorary Society. It was founded at Syracuse University in 1949 and currently has over 300 chapters at various colleges and universities nationwide. Pi Mu Epsilon's main focus is to promote scholarly mathematical activity among its student members. Student membership is restricted to those who have taken at least four mathematics courses at or above the calculus level, have at least a 3.0 grade point average in these courses, and a 3.0 or higher overall grade point average.
