

National Fellowships House Access Agreement Salisbury University

- 1) I understand that it is an honor to apply for Salisbury University's nomination or award in a fellowships/scholarship competition under the Nationally Competitive Fellowships Office. By my signature below, I acknowledge that it is a privilege to gain access to the Fellowships House and promise to abide by the below guidelines and to treat the house respectfully and help to maintain its cleanliness.
- 2) I hereby agree to take other people in the house's needs into consideration while using the house and will not be overly loud myself or with any device while others in the house need silence.
- 3) I have permission to use the materials, books, kitchen, and other supplies within the house, but will not remove said things from the house and will respect the personal food or goods left in the house, and I will clean up after myself.
- 4) I will not throw any parties or events at the house without formal written permission given by the Director of the National Fellowships Program, nor will I invite other individuals (including students who have not signed this waiver) to the house without said permission.
- 5) I will follow all university regulations while in the house.
- 6) SNCFO official needs are a priority for the house, and I will vacate the premises or specific rooms if needed for use of SNCFO and the Director or Associate Director.
- 7) I will be sure that the house is properly locked when I leave.
- 8) I will contact the Director to give up access to the house should I decide I no longer plan to apply for a Nationally Competitive Fellowship.

By providing my real or electronic signature, I certify that I have read and agree to the above terms.
