### The Benefits of a Lateral Move

“Many people think the only way to enrich their work life and advance their careers is to move up the corporate ladder. However, there’s more than one path to the top. Here are **five benefits** to making a lateral move in your career.” This *Forbes* article makes a case for the unexpected ways a lateral move can lead to career growth.

### Leading Across a Siloed Organization

In this *Harvard Business Review* article, learn how to move **beyond silos** and become a successful cross-functional leader in your organization.
