SENATOR PROPOSING MOTION: Nicole Kulp

MOTION (this section alone will be recorded in the minutes):

Resolved that the faculty senate recommends giving the SU Center for International Education a platform at annual campus-wide meetings, such as Welcome Back, Development Day, or All-Faculty Town Halls.

This will allow the SUCIE to explain the direction of SUCIE's Global Campus Partnerships and Global Seminars, as well as the process for proposing courses for those programs and faculty resources for the process.

Negative:

A campus wide platform would allow SUCIE to share information with a greater audience and prevent communication issues.

Is this a recommendation to someone else? No _____ Yes, to _____
