Submit this form to the Faculty Senate President

SUBJECT: IEC committee review process

SENATOR PROPOSING MOTION: Nicole Kulp

SENATOR SECONDING MOTION: Beth Ragan

MOTION (this section alone will be recorded in the minutes):

Resolved that the Faculty Senate recommends establishment of an official review for International Education MOU's which places the IEC and SUCIE as the final step in the approval process (see the attached Workflow Process Global Partnerships flow chart).

JUSTIFICATION:

There is currently no official review process for MOU's and partnerships for study abroad—i.e. there is no systematic approach to creating, maintaining, cancelling, changing, or evolving our global partners. The IEC would be reviewing for sustainability and accessibility of potential partnerships given the limited resources available to SUCIE and the IEC.
