THE UNIVERSITY OF MARYLAND, SALISBURY UNIVERSITY CAMPUS AT THE UNIVERSITIES AT SHADY GROVE CRIME STATISTICS

The Universities at Shady Grove (USG) is a regional center located in Rockville, Maryland, that supports programs from nine different institutions within the University System of Maryland. Students attend classes at USG but are still considered students of their "home campus." In addition, faculty or employees at USG can be affiliated with any of the nine institutions.

Please access the link http://www.shadygrove.umd.edu/about/public-safety/ for the *USG Supplement to Annual Security Reports Published by Partner Institutions* that is compiled and distributed annually. This publication contains crime statistics and statements of security policy. Annually, prior to October 1st, current students and employees are sent an email message providing them with a link to this brochure and notification that the current edition of the *Safety & Security* publication has been posted on the Universities at Shady Grove website. Printed copies may be obtained from the 24-hour security desk located in the Camille Kendall Academic Center on the Shady Grove campus.

Crime statistics for USG are reported, in their entirety, within the Annual Security Report of each of the institutions that conduct classes at USG.

The *Jeanne Clery Campus Safety Act* (the *Clery Act*) mandates the manner and format in which statistics are to be collected and published. Statistical updates, if any, will be posted online at http://www.shadygrove.umd.edu/about/public-safety/.

	Footnotes:
1	The Universities at Shady Grove (USG) is a Regional Center for the University System of Maryland (USM). Degree programs provided by 9 of the 12 USM institutions are offered at USG. Students from each of these 9 institutions attend classes at USG and in some cases may attend classes on USG and their home campuses.
2	Statistics listed in the "Public Property" category include those that took place off campus, on public property immediately adjacent to and accessible from the campus, but not on USG property.
3	Hate Crimes are crimes that manifest evidence that the victim was intentionally selected because of the victim's actual or perceived Race (RA), Religion (RE), Sexual Orientation (SO), Gender (G), Ethnicity (E), Disability (D), Gender Identity (GI), or National Origin (NO). Any numbers in small-print parentheses would indicate how many of the total number of reported incidents were motivated by each type of bias.
4	Statistics on this chart are a summation of records requested and received from the Montgomery County Police Department (which includes all Rockville City Police Department records) and the Maryland State Police. This chart additionally includes all Clery reportable statistics reported to USG security officers or other Campus Security Authorities, including those reported to partner institution CSAs.
5	The Montgomery County Police Department does not classify crimes into this category. Statistics in this category will only be those reported or known by Campus Security Authorities or where enough information is known to allow classification.

6	Individuals not arrested, but referred for possible campus disciplinary action (e.g., first offenders required to attend educational programs.)
7	Unfounded reports are classified as unfounded based on the results of a full investigation and evidence conducted by sworn law enforcement personnel that determine the crime report is false or baseless. Reported crimes may not be classified as unfounded (or otherwise withheld or subsequently removed) based on a decision by a court, coroner, jury, prosecutor, or other similar non-campus official.
